REQUEST FOR RE-SETTING OF SHORTENED TIME FOR RESPONSE
AND FOR PROPER CITATION OF CITED RAAD REFERENCE

Assistant Commissioner for Patents
Washington, D.C. 20231

Post Office Box 7068
Pasadena, CA 91109-7068
February 20, 2001

The February 9, 2001 official Office Action appears to contain two deficiencies as follows:

1. This is a first official Office Action with no claims allowed, and the claims are rejected based on the art. However, the Examiner set a one-month period for response expiring March 9, 2001. This is clearly improper, and it is requested that a proper three-month period for response be afforded.
2. The official Office Action cites the Raad reference. However, the number of the Raad reference is not

Application No. 09/383,150

contained in an IDS cited by the applicant nor in the U.S. Patent and Trademark Office Form 892 provided by the Examiner, nor has a copy been provided.

Accordingly, it is requested that a new Office Action be issued properly identifying and providing a copy of the Raad reference and resetting the date for response running three months from the date of the new official action.

Respectfully submitted,
